

## Series 100 Flashed L Foot Kit

SnapNrack Series 100 Flashed L Foot Kit is an innovative solution to provide a long lasting, watertight seal over the life of the system. The Flashed L Foot provides a fully flashed roof fastener for attachment to composition roof with no required cutting of shingles. The L Foot is engineered for maximum adjustability for a clean, level installation.

- Slotted attachment provides 1" vertical adjustability for array leveling
- 1" spacers available for increased elevation adjustability
- Clear or black anodized aluminum components. Both are available with black galvanized steel or aluminum flashing.
- No cutting of shingles
